02.01.03 A Story Without Words

Requirements BEFORE the hand-in

- Come up with a story in your group
This story must be told without any spoken words. So whatever you decide to do, you have to tell the story using moving images only. It is ok to use sound in all other forms than words.
- Use a smart phone to film the story
- Make sure you have enough shots
- Transfer your movie clips to your computer
- Edit your clips in Adobe Premiere Pro

Requirements FOR the hand-in

- Export your video as an .mpg file using the H.264 codec. Resolution should be HD (1080p).
- Upload your video to a Youtube channel and mark it as "private"
- Copy the link in the "share" option and hand it in on Fronter (remember to do it as a group hand in)

Hand-in (Sunday 7 Oct. 23:59 on Fronter)
