

Project Pool

Choose at least two projects (e.g. one per day) you think you can manage here:

http://ale-kea.dk/T2_projectpool/

All projects have optional sub tasks, and all of them could be expanded in lot's of ways - feel free to do so!

Rules:

1. HTML, CSS, JS are equally important.
 - It should look good.
 - It should feel good.
 - It should work.
2. Work in pairs to "talk code"
3. Hand in a link to an online HTML page with links to your solutions (minimum 2)
